## About the Author

### Dr. Manorma Rajput

Dr. Manorma Rajput is a dedicated Ayurvedic scholar and educator hailing from the Etah district of Uttar Pradesh. Currently, she holds the position of Assistant Professor in the Department of Dravyaguna at Prem Raghunath Ayurvedic Medical College and Hospital, Hathras.

Dr. Rajput completed her Bachelor of Ayurvedic Medicine and Surgery (B.A.M.S.) in 2017 from Ramakrishna Ayurvedic Medical College and Hospital, Bangalore, Karnataka.

She further pursued her passion for Ayurvedic pharmacology by obtaining her Doctor of Medicine (M.D. in Dravyaguna) in 2022 from the esteemed KLE Shri B.M.K. Ayurveda Mahavidyalaya, Belagavi, Karnataka.

An ardent researcher and academician, Dr. Rajput has authored several scholarly articles published in both national and international indexed journals, showcasing her commitment to the advancement of Ayurvedic science. Her work is a testament to her deep understanding of medicinal plants and their applications in clinical practice.

With a strong foundation in classical Ayurvedic principles and a keen interest in evidence-based research, Dr. Rajput continues to inspire students and peers alike through her teaching, writing, and clinical insights.

## About the Book:

This book, **"Dravyaguna Darpana: 600 MCQs for Competitive Excellence"**, is a humble effort to serve as a reliable resource for students preparing for various Ayurvedic entrance exams, university assessments, and competitive tests such as AIAPGET. With a vast syllabus and classical texts to master, objective questions (MCQs) provide a focused way to assess one's grasp of core concepts, terminologies, and applications in a time-efficient manner. Thus, the inclusion of an MCQ-based study resource has become indispensable in the current academic framework, and this book is a sincere effort to fulfil that need in the domain of Ayurvedic pharmacology. In terms of understanding the subject practically and theoretically this MCQ book will enable the students to self-analyze their strength and weakness. The questions are based on classical texts, basic principles, diagnostic techniques, pharmacology (Dravyaguna), pathology (Roga Nidana), internal medicine (Kayachikitsa), surgery (Shalya), gynaecology (Prasuti Tantra), and more. The correct answers are marked to facilitate quick learning, and the questions are structured to enhance conceptual clarity and recall ability.
